Or does the fire and brimstone imagery of Jonathan Edwards Sinners in the Hands of an Angry God make you retch? Well, fear no more. Now The Smart Student s Guide to Really Hard Classic Essays will enable you to comprehend fully and completely thirty three classic British and American essayists and their timeless essays. Each chapter includes the following: a context that places the essayist in a historical/literary perspective; a summary for selected essays that clearly highlights the main points of each paragraph; an analysis that tells you what the summary means; and an essay question (just like what you might find on an essay exam) complete with a model response. The prose style is consistent with the reading level of the typical college undergraduate though erudite high school students will benefit as well. English teachers will find a continuing use for the essayists and essays covered.
