# ALGEBRA. VOL.1

Book Condition: New. Publisher/Verlag: Springer, Berlin | Based in part on lectures by E. Artin and E. Noether | This beautiful and eloquent text transformed the graduate teaching of algebra in Europe and the United States. It clearly and succinctly formulated the conceptual and structural insights which Noether had expressed so forcefully and combined it with the elegance and understanding with which Artin had lectured. This text is a reprinted version of the original English translation of the first volume...
