You may wish it was, as then these events would not actually have happened. Leaving the Life is a brutally honest account of true love, loss and the struggle for survival. It is a beautifully written, tragic love story filled with courage, compassion and hope. This page-turner will move, touch and inspire you. Go inside the private lives of an ordinary couple as their world is turned upside down by a terrifying diagnosis. Their journey will leave you grateful for what you do have, and for what you do not have. You will cling closer to your loved ones. Claire C., Cancer Survivor I read [most of] the manuscript in one sitting, with only a break for lunch. I wish I could say I loved...
