## THE DITCHDIGGER S DAUGHTERS

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Donald Thornton was a ditchdigger who wanted more for his six daughters, saying: I love you better than I love life, he assured his children. But I m not always gonna be around to look after you, and no man s gonna come along and offer to take care of you because you ain t light-skinned. That s why you gotta be able to look after yourselves. And for that you gotta be smart. Donald decided to do the grandest thing he could think of: force them to make a success of their lives. Along with their mother, Tass, he cajoled and inspired the girls to succeed while working two full-time jobs to keep them properly fed and clothed. All six became successful, independent, accomplished women: two of his six daughters became doctors, one became a dentist, one a lawyer, one a nurse, and one a court stenographer. The Ditchdigger s Daughters is the inspirational story of a family with a strong role model who set family values about all else. Donald s persuasive common sense, fold wisdom and right-on insights gave them the skills they would need to overcome obstacles in their paths to success.
